## High Quality Basswood Blinds

- Beautiful soft colour palette.
- Available in 25mm/35mm/50mm slat width.
- Extra wide blind widths - up to 2900 wide, with drop up to 3100mm!
- Special magnetic clip on colour-matched valance.
- Optional colour-matched mitred valance returns available.
- Free Colour swatch available on request.

As with all wood products, variations in grain, texture and colour along with some slight warpage may occur. These are natural characteristics of real hardwood blinds.

## Standard Specifications for all three slat sizes:

- RH lift control (unless otherwise specified) with cord lock mechanism.
- LH tilt controls (unless otherwise specified) dual cords.
- Controls can be fitted to one side if required; minimum blind width for this is 420mm.
- Minimum width 400mm x 400mm drop.
- Maximum width 2900mm x 3100mm drop.
- Magnetic 'C' shape colour co-ordinated valance.
- Mitred returns upon request at no additional cost.
- Universal Swivel brackets are standard - box brackets available at no extra cost.
- 2 x Child safety cleats per blind
